Plaintiff and the below referenced defendants stipulate and request an order as follows:

- 1. Setting all motions filed on or before October 15, 2010 for hearing before the Honorable Judge Jeremy D. Fogel on November 19, 2010 at 9:00 A.M.
  - 2. Setting the Case Management Conference for November 19, 2010 at 9:00 A.M.
  - 3. Setting the due date for the Joint Case Management Statement for November 5, 2010.
- 4. That the parties need not serve Rule 26(a)(1) disclosures until after November 19, 2010, on a date to be determined at the November 19 Case Management Conference.

The basis for this Stipulation is that there are approximately 25 defendants in this case, most if not all of whom have filed or expect to file motions to dismiss and/or motions to sever and/or transfer the action as to said defendant. It would be efficient to have all such motions, which raise and are likely to raise many common issues, heard at a single hearing, and that the Case Management Conference also take place at that time. Plaintiff has agreed that various defendants may have until October 2, 2010 to file responsive pleadings and/or motions. In order to allow 35 days from the filing of a motion and its hearing date, the earliest that a hearing could take place on said motions would be November 12, 2010. Various parties have conflicts with a November 12, 2010 hearing date, making the next available hearing date November 19, 2010. In order to promote the efficient management of the case, a November 5, 2010 filing date for the Joint Case Management Report and deferring the Rule 26(a)(1) disclosure deadline until after November 19, 2010 is in the interests of all parties and the Court.

In accordance with General Order No. 45.X.B., Dan Fingerman, counsel for SF Tech, attests that each other signatory listed below has concurred in the filing of this document.
